

A vibrant, cartoon-style illustration of a tropical scene. On the left, several tall palm trees with green fronds stand against a light blue sky with a few white clouds. A large yellow sun is in the upper right, with a green parrot with red and blue accents flying in front of it. On the right side, a pink flamingo stands in a lush green jungle with various tropical plants and a red poinsettia flower in the foreground. The entire scene is framed by a black border.
